three years was Rs. 13880 Crores as on 31 .3.1994.'

(c) and (d) Yes Sir. IBRD loans carry commitment charge of 0.75 per cent ' on undisguised amount and a Tebate of 0.5 per cent is, however, permitted 'for timely repayment of these loans. At present no commitment charges are levied on IDA credit.

Malhotra Committee's Recommendations

1151. SHRI VIREN J. SHAH:
SHRI FRAMOD MAHAJAN:

Will the Minister of FINANCE be pleased to refer to the lanswer to Unstarred Question 80 given in the Rajya Sabha on 14th February, 1995 and state:

(a) on which date the Malhotra Commhtee was appointed; • (b) when the Committee submitted its report to Government and what are the details of its recommendations;

(c) what action has been taken by Government on each of the recomm endations contained in the report; and

(d) if no decision has so far been taken, what are the reasons therefor?

THE MINISTER OF STATE IN THE MINISTRY OF FINANCE (SHRI M. *V.* CHANDRASHEKARA MURTHY): (a) The Malhotra Committee was "appointed on 7th April, 1993. of (b) The Committee submitted its reoprt *to* the Government on 7th January The list of major recommendations of the Malhotra Committee is enclosd as Statement *"(Sec* below).

(c) and (d) The. report of the Malhotra Committee is under consi-Deration of the Government.

Statement

Major *recommendations,* of, the Com-*mitiee on reforms in Insurance Sector* (1) There is an urgent need to

activate the insurance regulatory apparatus even in the present setup of nationalised insurance sector. For this purpose, and as an interim measure, the office of Controller of Insurance should be restored its full functions under the Insurance Act and it Should be set up as a separate office as a matter of high priority. Meanwhile, steps should be initiated for the-establishment of a strong and effective insurance regulatory authority in the form of a statutory autonomous board on the lines of SEBI.

(2) LIC which is a statutory corporation should be converted into a company registered under the Companies Act. The present capital of Rs. 5 crores of LIC contributed entirely by the Central Govt, should be raised to, Rs. .200 crores with Government holding 50 per cent thereof and the remainder being held, by public at large reserving a suitable portion for LIC employees.

(A) The Central Office of the LIC should concentrate on policy formation, investment, product de velopment, . actuarial valuation, personnel policies, systems deve lopment and (account of the.Corpo ration. LIC's Zonal Offices should be delegated powers and should become Head Offices for insurance business, and related matters in their respective jurisdictions.' Zonal Managers should be, made members of UC Board. The process of re organisation of the Central Office and Zonal Offices should be completed within a period of sire months. The Sufelaltey staff' at Central Office and Zonal Offices arising out of the restrnctnring should he re-deployed preferably with the Branches whare the impact of growth of business It immediately felt.

(4) GIC should cease to be the holding company of the four subsidiary companies viz New India Assurance Company, United India Insurance Co., National Insurance Company and the' Oriental Insurance Company. These should function as independent companies on, their own. GIC would function exclusively as a reinsurance company and as the Indian reinsurer under- the Insurance Act.

(5) QIC's capital should be raised to Rs. 200 crores, 50 per cent of which should be held by the Government and the remain ing-by the public 'at large reserv ing a suitable portion for GIC em ployees. To fully delink the subsi diary companies 'from GIC, Gov ernment should.-.acquire the, latter's total holding in each of them. The capital of each company should be raised, to Rs. 100 crores, with Government holding 50 per cent thereof 'and the remainder being held by public at large. A suitable, proportion -should be reserved for employees of the respective companies.

(6) The mandated investment of funds of the Life Insurance and General Insurance companies should be reduced 'from the /present levels of 75 per cent ann 70 per cent to 50 per cent and 35 per cent respectively.

(7) The private sector should be - allowed" to enter insurance' sector. No copmpany should be permitted to transact both life and general insurance business. The number of *new* entrants should be controlled. The minimum paid-up capital for a new entrant should be Rs. 100 crores. The promo tors holding could range from 26 per cent to 40 per cent of the paid-up capital'. No person other' than pro motors can hold more than 1 per cent of the equity-.' If and when entry of foreign insurance companies is permitted, they should 'be required to float an Indian company for the purpose preferab ly as joint venture with Indian' partner. Before the private sector is allowed to enter the insurance field, the Controller of Insurance should start functioning effectively.

(8) One co-operative society -in each state might be permitted to transact life insurance business. Postal Life Insurance should be'per mitted to transact life 'insurance business in rural areas.

(9) Requests from the Coopera tive institutions at the national and "State levels, to transact general ; in surance business may be considered -favourably subject to their satis'fy-'ing the prescribed norms.

(10) New entrants in Life Insurance should be required to - transact a certain minimum business in rural areas

(11). Landless. Agricultural' Labourer Group Insurance. (LALGI) and Integrated Rural Development Programme (IRDP) beneficiaries' sche-mes. relating to life; and, Personal Accident and Social Security (PA -SS(and Hut Insurance Schemes of general insurance are rolief orien ,ted welfare schemes and do not- in volve any . element of insurancp-These.should be transferred to the concerned Governrnent authorities.

(12) It would be inadvisable to abolish, the tariff, regime in general insurance at this, stage. But the personal line,s of covers should be taken off tarftf regime at.the .. ,ear-.'liest. The area untie,- tariff should,be

progressively reduueed It promote competition and improve underwrit ing skills in general insurance. Market agreements should be dis continued.

(13) Tariff Advisory Committee (TAC) should be delinked from the GIC and should function as a separate statutory body under such supervision of the insurance regulatory authority as may be necessary without becoming a part thereof.

(14) The system of licensing of surveyors by the Controller of In surance should be given up and the insurance companies should be free to assign the right surveyor to the right job.

(15) In order to popularise pension scheme, sayings in pension funds should be given special tax relief distinct from the benefits allowed to relatively short term savings. Investment income from pension funds managed by life insurance companies -ho'iM get tax exemption las is admissible to private person funds managed by the employers.

(16) Comprehensive computerisation in UC and the general insurance companies for handling business at all levels for developing effective management information system should be undertaken and completed within the next 12 to 18 months.

(17) To reduce litigation, the institution of ombudsman should be set up by the general insurance in. dustry. Claims in personal lines upto Rs. 5 lac in each case may be considered at this forum.

(18) A Committee with appropriate membershiiD may be set up for detailed scrutiny of the existing insurance laws, rules and regulations, for amendments and consolidation, probably in a new insurance law.
